

ROOKERY SCHOOL

RENOWNED FOR EMPOWERING LEARNERS

Friday 3rd November 2017

* Welcome back to the second half of the Autumn Term.

Next week children will begin pupil conferences with their teachers. This is part of the school's Assertive Mentoring Process which builds self-reliance and resilience in children.

A pupil conference gives your child special dedicated time with their teacher to reflect on their successes and challenges. The following week children will begin sharing their work, dojo reports and targets with parents.

You will be informed of the date of your parent sharing event.

* Poppy Appeal

Next week we will be selling Poppies in school to help support the Armed Forces community.

From **Monday 6th November** Poppy's will be available to buy for a donation of **50p - £1**.

Please help us raise some money for a very great cause.

The school's Remembrance Assembly will be led by 1P this year and it is always great to see all children wearing a poppy.

* School Photographer

On **Wednesday 15th November**, the school photographer will be in school, taking family and individual pupil photos. If you would like to take a family photo they you must be in school for **8.30am- 9.15am**, so please be on time.

* 2018 Nursery to Reception Parents Open Session

It's that time of year when you should be thinking about a school place for your child who is currently in nursery. All parents **MUST** apply on-line for a school reception place for a place at Rookery for September 2018. To help you with this process we will be holding two open sessions to support you with this process. It is really important that all **nursery** parents attend one of the sessions. The Partner Headteachers' look forward to seeing you all there: -

Thursday 16th November - F1Pam - 9.00am - 10.00am

Thursday 16th November - F1Ppm - 2.00pm - 2.45pm

* Golden Mile

We would just like to remind you that the Golden Mile will be starting on **Monday 6th November**. This is a safe, simple and measurable health initiative aiming to inspire and encourage the school community through physical activity with the focus on fun, rewarding personal achievement and school competition. Every pupil can choose to run, jog, or simply walk and chat to their friends whilst travelling around the Golden Mile track either during school hours, as part of a break time activity or during breakfast club.
