

ROOKERY SCHOOL

RENOWNED FOR EMPOWERING LEARNERS

Friday 8th December 2017

It has been a mixed week with the weather, but it always lovely to greet children and parents at the start of the day. The children's manners are impeccable and were commented on by a visitor to the school kitchen. We are always finding better ways of improving safety around school at all times. In order to have an orderly, safe start to the day we would like parents to leave school in the morning by 8.55 a.m. through the external gates. This means that parents will leave Globe building through the external doors and not through the glass corridor. Please exit the building promptly before Mr Garbutt has locked the gates. Have a great weekend. Keep warm!

Breakfast Club Safety

Please will parents supervise their children if they are using the school car park? The car park is busy on a morning with staff arriving and deliveries. Please don't let the morning rush prevent you from making sure your children are safe.

Thank you

The breakfast club is provided free of charge through sponsorship by Greggs and staffed by unpaid volunteers. It has really improved attendance and punctuality.

Please encourage your child to say thank you to staff.
