

# ROOKERY SCHOOL

RENOWNED FOR EMPOWERING LEARNERS

Friday 17<sup>th</sup> November 2017

It has been marvellous to see so many parents in school at the parent sharing events this week. We also held our Reception 2018 open day. We welcomed families who have been with us for many years, as well as some new families who were very impressed with our facilities and our marvellous children.

The closing date for Reception on-line applications is 4<sup>th</sup> December 2017. If anyone requires help, Mrs Rai will be available every Wednesday 3:30pm to 4pm in the community room.

## \* Golden Mile

Well done to everyone who has taken part in the Golden Mile in the mornings. It has been great to see so many children running, moving and challenging themselves. 6H are in the lead!

## E-safety

From learning in class to playing games at home, children are doing more on the internet than ever before - and it's a wonderful place. However, just as in 'real life', it's important to make sure your child is staying safe online.

**InternetMatters.org** is an excellent place to begin. The information is divided into age-appropriate sections to help you talk to your child about the issues and technologies they'll come across as they grow up online. It has guidance on a range of issues such as setting parental controls and teaching your child how to be a good friend online.

## Stars of the Week

WELL DONE to all the children for their outstanding efforts and achievements!

Thank you to 6H for their assembly inspired by the wonders of nature  
Please remember any filming of your child is for your use only and not for distribution.

We have a responsibility to keep our children safe.

## Week ahead
