Dear Parent/ Carers

In year 6, the children will be set homework on a website called 'My Maths'. To complete this they will need access to the internet.

If you do not have access to the internet at home, we are setting up a homework club so that children can complete their homework. This will be run on a Tuesday evening from 3.30pm-4.30pm.

If you **would** like your child to attend please complete the form below and return to your child's class teacher.
